FROM THE DIRECTOR

Our Center continues to grow. Growth is occurring in so many ways such as membership, activities, travel, and with our facilities. Our membership has doubled since January of 2024. Our activities calendar looks almost full from month to month. Our travel program has sold out trips and added more, including planning a 2027 travel program that may be our best ever. Soon, we will be upgrading our kitchen to accommodate our increased demand with congregate dining. At the center of the growth is our people. We have a diverse group of seniors with a wide range of talents and interests. As the director, I have often said, since I started working here, we have all the answers to our issues within our membership. Because of this, I am excited to announce a partnership with our local school system in Pickerington to begin mentoring and sharing our skills with local students. Additionally, our seniors will have opportunities to learn from our next generation. I am hopeful this will serve as a great opportunity for our seniors to make a positive impact in our local community.

Remember, if you are resting, you are rusting!

The Pickerington Senior Center is pleased to announce a generous \$3,000 donation from the Fraternal Order of Eagles. This contribution was facilitated through the efforts of two of our members, Jim Lehman and Sally Varnell. We are incredibly grateful for their initiative and the Eagles' support.

ATTENTION VETERANS

We Need Your Updated Information

We started updating our Library/Cafe to be a place of communication and transparency for our members and the center. In addition to installing a glass case designed to showcase our board meeting minutes and other pertinent Senior Center information, we were also fortunate to have custom- designed woodworking to highlight Veterans who are members of our Senior Center.

In the coming days, we ask that each of our Veterans fill out and return the Veteran form at the front office. We look forward to identifying and honoring our Veterans who served our country.

KITCHEN REMODELING UPDATES

The Pickerington Senior Center would like to thank THE UNITED WAY of FAIRFIELD COUNTY for awarding us with a grant to remodel our kitchen in the amount of \$30,000. This, to our knowledge, is the largest single sum of money awarded via grant to our Senior Center. With the grant, the total we have raised year-to-date for the kitchen remodel is near \$50,000.

Our overall goal is to raise \$100,000 to fund a complete kitchen remodel designed to upgrade our commercial appliances and improve logistics to better serve our seniors and allow up to four (4) entities to work in the kitchen simultaneously without interfering with senior center activities. We are expecting to begin work with current funds in late July or early August to make our kitchen remodel a reality.

Also, our Center will be seeking additional funds via grant through The Fairfield Foundation in July. We are currently in the process of writing and submitting the grant. The funds from this grant can only be used for equipment. Once we know whether we will receive the grant and any amount of funds attached to the grant, this will determine how we proceed forward with the remodel in late July or early August.

Please see our Director with any questions, comments, or suggestions you may have regarding our kitchen upgrade and project timelines.

2026 PSC GOALS/PROJECTS

Below is a list of goals identified for 2026. These goals are set high, but attainable. If you identify with one or more you would like to be part of, please see Craig or Jeff for details on how you can help. These goals are in no particular order of importance or timing, other than calendar year 2026.

RAISED BED GARDENING PROGRAM – project will involve construction and installation of new raised beds. **UPDATE:** In process. We are working with Lowe's to determine exterior updates or gardening updates as a priority on their participation.
