As you read through this newsletter, you will see a great amount of activities and events. I urge you to take advantage of them and thank the instructor or leader of the activity. ATTENTION VETERANS

We Need Your Updated Information

We started updating our Library/Cafe to be a place of communication and transparency for our members and the center. In addition to installing a glass case designed to showcase our board meeting minutes and other pertinent Senior Center information, we were also fortunate to have custom-designed woodworking to highlight Veterans who are members of our Senior Center.

In the coming days, we ask that each of our Veterans fill out and return the Veteran form at the front office. We look forward to identifying and honoring our Veterans who served our country.

CAN RECYCLING

Wondering why we collect cans?

Early last year PSC members Dan Murphy and Pat Wallace approached us about partnering with Seton Parish and the St. Vincent de Paul Society's outreach program "Miraculous Metals." The program recycles metals (such as aluminum cans and soup cans) for cash. The funds are distributed to Fairfield County families who apply for assistance.

If you'd like to support this worthwhile cause, please rinse cans and remove paper sleeves; then drop them off at our Center or contact Seton Parish at (614) 833-0482 to deliver the cans directly to them. If you have any oversize metal items, please call Seton Parish. They will arrange for pickup when possible.

A big thank you to everyone who has recycled their cans at our Center. Your efforts are greatly appreciated!
