FRIENDS OF THE CENTER SPOTLIGHT **SPECTRUM OF SWEETS**

COMPANY PROFILE: Spectrum of Sweets is a local based baking company that values the unique skills and talents of autistic and neurodiverse individuals.

Our Center asked these questions to the Spectrum of Sweets:

HOW DOES THE PICKERINGTON SENIOR CENTER BENEFIT SPECTRUM OF SWEETS? We use the center's commercial kitchen to bake our cookies, which helps us grow our business and keep costs low. We also love being around the seniors—many enjoy stopping by, sharing stories, or lending a hand with light tasks..

HOW DO OUR SENIORS BENEFIT FROM SPECTRUM OF SWEETS OPERATING AT THE SENIOR CENTER? We (SOS) bring energy, purpose, and a chance to connect. Seniors can help with simple jobs like packaging or labeling or just enjoy the companionship. It's a fun way to stay active, feel valued, and be part of something meaningful. We're proud to be building strong relationships with our seniors and giving back to the community that supports us.
